DISTINGUISHED BY INSPIRED ARCHITECTURE THAT BLENDS PAST, PRESENT AND FUTURE

Located less than 7 miles from Chichester and Bognor Regis on the edge of the West Sussex village of Barnham, Foxhills is an elegant new development of stylish two, three- and four-bed family homes - imbued with charm and character, and elevated by an exceptional specification.

A PERFECT PLACE TO ENJOY THE BEST OF COUNTRY AND COAST.

Described in the Domesday Book, the settlement of Eastergate has ancient historic roots. St Mary the Virgin Church, to the southern fringes of the village, retains features from the 11th century, whilst the Murrell Arms at Barnham has been the local pub since 1866. The windmill mentioned in the Domesday Book has recently been converted to a private dwelling, but stands as another reminder of the area's long local history.

It's a history that's reflected as you drive through the village. Knapped flint cottages with thatched roofs contrast with Victorian, Georgian and more recently built houses, lending Eastergate a pleasingly eclectic architectural mix. The local population is served by two convenience stores, a GP practice and a number of local shops and eateries in both Eastergate and Barnham villages.

With a mix of young families, professionals and retired households, the village enjoys a welcoming sense of community.

For families with children, Eastergate is well provided for. Rated "Good" at its Ofsted inspection in December 2022, Barnham Primary School caters for children up to Year 6, whilst St Philip Howard Catholic School, for pupils of all faiths aged between 11 and 18, achieved an "Outstanding" grading in October 2021. Ormiston Six Villages Academy (formerly Westergate Community School) is also just a short distance away, also rated "Good" by Ofsted in 2023.

The village is well connected for travel further afield. Barnham railway station offers trains to London Victoria and London Bridge stations, with travel times just over 90 minutes, whilst trains to the west link the village with Portsmouth, Southampton, Bournemouth and beyond. Located just over a mile from the A27 South Coast trunk road, Eastergate also enjoys excellent connections by car. With its thriving cultural and arts scene, the charming cathedral city of Chichester is less than 7 miles to the west.

To the east, the A27 offers fast links to Worthing, Brighton and Eastbourne, whilst the seaside resort of Bognor Regis is less than 20 minutes' drive to the south-west along with Arun Retail Parks, home to a range of retailers including M&S, Tesco, Sainsbury's, B&Q, Halfords and many more.

The local coastline is renowned for its variety and beauty. From the sand and shingle of Felpham to the mile-long expanses of Littlehampton Beach, there's an abundance of spectacular coastal scenery - and a fabulous choice of watersports to enjoy.

Travelling inland, Eastergate sits on the southern flanks of the South Downs National Park. Stretching nearly 90 miles from Winchester to Eastbourne, Beachy Head and the iconic Seven Sisters cliffs, the South Downs is a spectacular, timeless landscape of rolling chalk hills and heavily wooded vales. Loved by walkers, horse riders and mountain bikers, it's a wonderful place to escape into nature and restore the spirits.

A charming Sussex village with a rich local history and perfect spot to enjoy the best of country and coast. Or a brilliantly connected location, whether you're commuting or working from home, however you look at it, Foxhills is a place you'll be proud to call home.

A lush, green outlook to enjoy from the cosseted comfort of these individually styled dwellings. Contemporary living in complete harmony with rural seclusion...

The internationally renowned Goodwood Estate is just 8 miles away from Foxhills and has become synonymous with modern and vintage performance motoring and the Qatar Horse Racing Festival, also known as “Glorious Goodwood”.

FOXHILLS

EASTERGATE

Surrounded by a patchwork of rolling arable land and pasture, the development optimises its semi-rural location with thoughtful landscaped gardens.

The development has been cleverly designed to afford each property tranquil outlooks and a delightful sense of place and with several distinctly different house types across the site, the key words are individuality and character.

From 2 bedroom semi-detached properties to 3 bedroom, three storey townhouses and 4 bedroom detached properties, Foxhills offers a choice of beautiful homes to suit a range of budgets and lifestyles.

Above all, as with every home we build, these are properties that appeal to the heart as much as they do to the head, so from the moment you arrive, you'll instinctively feel at home.

OUR HOMES ARE SPECIFIED ABOVE AND BEYOND - THAT'S THE ELIVIA DIFFERENCE

Foxhills showcases a rare blend of architectural integrity with cutting edge innovation. Outwardly, there are respectful nods to the local vernacular - wood effect cladding, brick arched window headers and decorative tile hanging bands all carry echoes of local architectural history.

Internally, however, these are properties that have been designed for the future, embracing environmental technology and low energy specification to create homes that are as economical to run as they are effortlessly comfortable to live in.

Interiors have been thoughtfully designed to maximise space and light, giving bright, expansively proportioned and truly flexible accommodation throughout. All ground floor rooms benefit from underfloor heating, freeing your walls from radiators and allowing you to configure your living space to suit your furnishings and lifestyle.

With every home we build, we set out to surpass expectations with external and internal specifications that truly set us apart - experience the difference at Foxhills.

Plots that are built with a chimney should note the following: The flue is class 1. The fireplace opening is designed for a log burner and not an open fire. Purchasers must seek advice from a log burner specialist who will design and install the appropriate size and specification of the log burner and any associated ancillaries required for installation. Note. We cannot take any responsibility for the retrofitting of any flue liners.
