The rewarding pace of village life

Walton on the Hill is one of Surrey's loveliest villages. With the 12th-century church of St Peter, a 14th-century Manor House and many historic houses, the settlement has at its focus the picturesque Mere Pond, which is regularly visited by herons and is home to many species of wildlife.

With just under 2,000 residents, the village has some excellent facilities. There are several pubs, including The Chequers and The Blue Ball. You'll also find a good number of shops, including a butcher, newsagent, bike shop, post office, pharmacy and a café. The Walton Fish & Chip Shop is also hugely popular, as is the Spaghetti Tree restaurant, with great views over the pond. At Walton on the Hill, you'll have all you need on your doorstep, while being less than a mile within the M25.

Your corner of Surrey

Walton on the Hill is situated on the North Downs, just a short distance from the Surrey

Hills Area of Outstanding Natural beauty. The village is also close to the picture-postcard market towns of Dorking and Leatherhead, as well as being a short distance from Redhill and Reigate – both great places to shop, eat and be entertained.

Your new home is in one of England's most beautiful settings. Surrounded by enchanting green spaces, it can be hard to believe that you are within easy reach of London and the excitement of the city.
